Important Notes –

1. Tender received after the specified time is liable to be rejected.
2. No additions or alterations shall be made in drawings, specifications, Schedule of quantities, conditions of contract and the Tender by the tenderer and, if made such tender is liable to be rejected. In case of the successful tender, any such additions and alterations made by the tenderer will be treated as null and void. If the tenderer wants to put any conditions, he must expressly mention them on a separate letter attached on the top of the tender form.
3. In case the tenderer is required to fill in the schedule of rates, he shall quote rate in words as well as in figures in the blank column for each item in the Schedule of

quantities and accurately calculate the final column of totals and the final total correct up to the nearest Rupee; Re. 0.50 or over to be treated as One rupee. If the totals and the final total are not calculated by the tenderer, his tender is liable to reject.

4. If on check, differences are found between the rates given by the tenderer in words and figures or in the amounts worked out by him, the following procedure shall be followed.
 - a. Where there is difference between the rates in figures and in words, the rate which corresponds to the amount worked out by the tenderer shall be taken as correct.
 - b. Where the amount of an item is not worked out by the tenderer or it does not correspond with the rate written either in figures or in words, then the rate quoted by the tenderer in words shall be taken as correct.
 - c. Where the rate quoted by the tenderer in figures and in words tallies but the amount is not worked out correctly, the rate quoted by the tenderer shall be taken as correct and not the amount.
5. The Employer reserves the right to reject the lowest or any tender without assigning any reason for the same.
6. The decision of the Employer will be given within Threecalender months from the date of receiving the tenders, within which period, the terms of the tender will be binding on the tenderer. The earnest money will be returned to the unsuccessful tenderer within a reasonably short period. If the tenderer, after intimation to him, fails to collect his earnest money deposit within three years of date of intimation, the amount will be automatically forfeited.

D

1. Schedule of Quantities, Conditions of Contract and Drawings, if issued, must be returned along with the tender duly signed on each page and drawing by the tenderer.
2. The tenderer must fill in the enclosed form, giving biodata of his firm; if he wants, he can attach additional biodata details.
3. In case of electrical, sanitation and plumbing work, the tenderer must either possess the required license himself or get the work executed or certified through any agency possessing such a license at his own cost and on his own responsibility.
4. In case of partnership firm, the tender shall be signed with the co-partnership name by a member of the firm who shall sign his own name and address of each member of the firm and attach a copy of the Power of Attorney with the tender. In case of tender submitted by a Company, it shall be signed by its Managing Director or a duly authorised person and shall bear official seal of the Company.

5. In case, payment of earnest money is accepted in form of a bank call deposit which is not normally done, the tenderer shall keep it valid for a period of three months and ten days, commencing from the last due date of submission of the tender and shall not cancel or withhold it for any reason, whatsoever, till the expiry of this period.
6. The tenderer, whose tender has been sanctioned, shall, within ten days of the intimation of sanctioned of the tender, hand over to the Architect, stamp paper of the required value for entering into agreement. Tenderer's failure to comply with this condition within the given time shall give right to the Employer to revoke sanction of the tender and forfeit his earnest money, without any further notice to the tenderer
7. If any provisional amount is allotted against any item or if it is stated that the actual cost is to depend on work done, the rate and amount against such an item should be left stated in the tender form or left blank if no amount is stated. The amount to be paid for such an item will be calculated at respective tender rates for different items and the general percentage, when quoted by the tenderer has no bearing on the amount stated against the particular item.
8. In submitting proposals for this work, each tenderer will be held to have previously examined the site and satisfied himself as to the conditions under which he will be obliged to operate in performing his part of work or which will, in any manner, affect work under the contract.
